

Rapid Cleaner Pro

Description

A combination of selected acetone-free solvents for the rapid, efficient cleaning and degreasing of components in motor vehicles and industrial applications. The low surface tension of this product gives it excellent penetration properties, enabling it to dissolve oil, grease, resin and tar residues and contaminants easily, even in hidden areas. After the solvent has evaporated, the surface is left free of grease and residues.

Properties

- for cleaning heavily contaminated parts
- high proportion of active components
- dissolves resin and tar-type residues
- optimizes economical use
- universal application
- optimum penetration capacity
- fast evaporation free of residues
- low surface tension
- absolutely free of chlorine

Technical data

Color / appearance	farblos / colourless
Flash point	< 21 °C
Density	0,707 g/ml DIN 51757
Base	Lösungsmittelgemisch, azetonfrei / solvent- mixture, acetone-free
Form	flüssig, aerosol / liquid, aerosol
Propellant	CO2
Shelf life in original sealed container	30 months

Areas of application

Automotive applications: Rapid Cleaner offers numerous possibilities thanks to its universal applicability.

Brakes: Drum and disk brakes, linings, shoes, cylinders, springs and pads.

Clutch: Clutch linings, pressure plates and clutch components in general.

Transmission: Automatic gearshifts, planet carriers, oil pump, brake bands, clutches, gearwheels.

Assembly and repair: Carburetor, gasoline pump, engine components, electrical systems such as controllers, generator/alternator, starter; removes oil and grease spots from floor coverings, materials and linings.

Application

Spray contaminated components and allow to drain. After the solvent has evaporated, the components will be clean and free of grease.

Note: Product may attack paints and plastic components. Check for compatibility before using!

Available pack sizes

500 ml Can aerosol	21269 D-GB-I-E-P
500 ml Can aerosol	3368 D-RUS-UA-PL-TR
500 ml Can aerosol	20849 GB-SLO-SRB-HR-CZ
